Carrier Call Forwarding Guide (*71 / *72)

Clients never need to change phone providers or buy new hardware. They use standard carrier forwarding:

Carrier	Conditional Forwarding (Busy / No Answer)	Disable Forwarding	Unconditional Forwarding (All Calls)
Verizon	Dial *71 + [Assigned DID Number]	Dial *73	Dial *72 + [Number]
AT&T	Dial *004* + [Assigned DID Number] + #	Dial #004#	Dial *21* + [Number] + #
T-Mobile	Dial **61* + [Assigned DID Number] + #	Dial ##61#	Dial **21* + [Number] + #
Landline / VoIP	Set conditional forward via carrier portal	Portal toggle	Portal toggle
